## Lahey Fortran License Terms

---

Single-User License: Lahey grants you a nonexclusive license to use the Software on two computers provided you are the only one using the Software and only one copy of the Software is in use.

Multi-Seat License: Lahey grants you a nonexclusive license to use the Software on three computers, each acting as a workstation for a single concurrent user.

Unlimited Site License: Lahey grants you a nonexclusive license to use the Software on an unlimited number of computers at a named facility.

Floating License: Lahey grants you a nonexclusive license to use the Software over a single designated network by no more than the authorized number of concurrent users.

Educational License: Lahey grants you a nonexclusive license to use the Software for non-commercial and research purposes only.

Evaluation License: Lahey grants you a nonexclusive license to use the Software for evaluation purposes only. "User Programs" created with the Software may only be used for evaluation purposes and only during the evaluation period.

## Educational Licenses

---

Lahey offers educational licenses on *Lahey Fortran Language Systems* to faculty and students of accredited, degree-granting schools. You must submit a school purchase order or valid student ID to qualify for the educational license. The educational license allows you to use the product for teaching, learning, or research. You may not create commercial applications with an educational license.
